

Perseverance Christian Academy

Elementary Programs

1st-2nd and 3rd-5th

NOW ENROLLING for Fall 2026-2027

Full Time & Hybrid Options

Traditional Model

Students attend school Monday through Friday, 8:30 AM to 2:45 PM

Hybrid Program

Blending in-person learning with the flexibility of homeschooling, students attend school Tuesday, Wednesday, and Thursday, 8:30 AM to 2:45 PM. On Mondays and Fridays, teachers and parents collaborate on lesson plans for at-home learning.

Highlights

Innovative Elementary Curriculum

Our elementary program is thoughtfully designed to embrace wisdom, character, and a love of learning. As a Christ-centered school, faith and biblical truth are intentionally woven into every subject. Students have meaningful lessons discussion, habit formation, and hands-on exploration. Our approach foster's curiosity, discipline, and academic excellence while honoring each child's God-given design. Our school maintains a technology-free learning environment, encouraging deep engagement with literacy, critical thinking, and meaningful relationships.

Personalized Learning Environment

While children learn within group classes, instruction is intentionally designed to meet each child where they are. Lessons and assignments are aligned to each student's individual grade level and readiness, providing appropriate challenge and support. Our low student-to-teacher ratio, significantly smaller than the Christian private school average which allows for personalized attention and supports each child's growth in confidence and academic excellence.
